EDGEVERVE SYSTEMS CAMPUS DRIVE REGISTRATION

Thank you for your continued collaboration with the **Finacle Learning Community Program**. We're pleased to announce the launch of this year's **campus recruitment initiative**, aimed at identifying and nurturing top talent for the future of banking technology.

As part of the program, we will be conducting **on-campus roadshows starting from 10th November 2025** to engage with students and share insights into career opportunities at Finacle.

Eligibility Criteria: BE- 2027 passing out batch (Students who are in 5th sem)

Date of **on-campus roadshows will be updated later.**

PDA Role : CSE- Allied branches & Circuit branches – without any current backlogs
DTS Role – NON- IT branches like (Aero, Auto,Mechanical, Civil, Chemical)- without any current backlogs.

        a.   Product Development – 8 Lakhs Salary - coding challenge
        b.   Services & Support – 3.6 Lakhs Salary – Aptitude and Pseudo code test

All interested students kindly register on or before 6th Nov 2025. 9:00AM

Below is the stream-wise Registration link:

Stream	Type of Assessment	Registration Link
PDA- Products **CSE- Allied branches & Circuit branches**	3Q coding Challenge	3130BR | EdgeVerve Systems Limited
DTS- Services **NON- IT branches**	Aptitude Test	3141BR | EdgeVerve Systems Limited

- Once candidates are registered for their respective streams, they will proceed to the **assessment stage**.
- The **assessment will be on Online Tool (WeCP)**, and all necessary instructions will be shared in a **follow-up communication mailer** to be sent to registered students, based on their stream.
- Post-assessment, candidates will undergo **Technical and HR interviews** as part of Selection Process.
- The **assessment is scheduled for 22nd November 2025**, and we look forward to your support in facilitating the process.
